

Says

What have we heard them say? What can we imagine them saying?

To check the list

of available

flights from one

airport in India to

another airport in

USA

What are their wants, needs, hopes, and dreams? What other thoughts might influence their behavior?

To check and

from India to

USA with least

and less travel

time

identify the flight

To go through the the ticket charges and to identify the least one

To go through the amenities available in each flight

To check the list of connecting flights or Non stop travel

How can we select the seat in the flight with ticket charges

Thinks
